

# TRUPTI RANJAN SINGH

## B.Tech Cybersecurity Student

@ truptiranjansingh450@gmail.com [linkedin.com/in/trupti-ranjan-singh-ba1384311](#)  
📍 Bhubaneswar, Odisha, India

## SUMMARY

I am a B.Tech Cybersecurity student at Sri Sri University, actively engaged in ethical hacking and penetration testing. With hands-on experience on CTF platforms like TryHackMe and HackTheBox, I apply real-world cybersecurity methodologies. Certified by Cisco Networking Academy, I am passionate about threat detection and digital defense, constantly striving to enhance organizational security.

## EXPERIENCE

### Project Intern

#### Pinnacle Labs

05/2025 - 01/1970 📍 Kolkata, India

Company focused on cybersecurity solutions and services

- Contributed to penetration testing and vulnerability assessments
- Supported security audits and reporting for lab projects
- Gained practical exposure to cybersecurity tools and techniques

### CTF Player

#### Hack The Box

11/2024 - 01/1970

Platform for cybersecurity enthusiasts to practice their skills

- Solved advanced cybersecurity challenges, showcasing red teaming and problem-solving skills

### CTF Player

#### TryHackMe

10/2024 - 01/1970

Online platform for cybersecurity training and skill development

- Gained hands-on experience in ethical hacking methodologies
- Specialized in vulnerability identification, penetration testing, and secure environment testing
